Dear Parents and carers,

Burglary at St Mary's Primary School, Bridgwater

It has come to my attention this morning that last night there has sadly been a robbery at St Mary's Primary School. The thieves stole the poppy money, damaged the offices considerably and the CCTV cameras. The thieves were well planned and wore masks to cover their faces and had gloves on so limited finger prints can be taken.

You may recall that our school was burgled in 2011 and considerable money was taken from the school safe. Since this day we have improved our security procedures, **installing many CCTV cameras and we no longer keep any money on site overnight.**

Please can I ask that all members of our school community are extra vigilant of the school premises over the weekend and report any suspicious behaviour directly to the police?

Many best wishes and thank you for your support.
