Dear Parents

New Hot School Dinners Provision

I am writing to inform you that Millennium Catering who have provided our hot school meals for the last 10 years are ceasing to trade on 31st March. We would like to thank them for their excellent service during this period.

Moving forward we have been negotiating with a new provider and are very pleased to inform you that BAM FM Limited, will be providing the hot school dinners from 1st April 2017. This will be at the same cost of £2.60 per day until the end of the summer and rising to £2.65 in September. As we haven't had a price increase for two years this was to be expected.

There is a completely new menu attached that we require the children to complete and return to us **by Wednesday 15th March**. Please can you take a bit of extra time with your child completing this as there are lots of new options available. We also have a gluten and dairy free menu available, please let us know if you require this menu.

If you have any questions regarding this please don't hesitate to contact the school office.

Yours sincerely

Luke Talmage
