Dear Parents and carers,

Parent Survey results

It is a pleasure to be able to share with you the results from our recent parent's survey, that was completed at our recent parents evening. It is clear that the vast majority of parents believe that we are providing a good education for their child and we would like to thank you for your continued support.

We are currently reviewing how we can keep you informed of your child's progress on top of parents' evenings and end of year reports as this was an area the some parents felt could be improved. Please do sign up for class dojo to keep up to date with some of the activities your children will have been involved in during the day and any other suggestions would be warmly received.

Please be assured, that we will continue to work hard to ensure that we improve further, so that all parents are completely satisfied. The detailed survey can be found on the parent section of our school website.
